Question by the Deft. Benj. D. Lillie.

State all you know about a bond (against  
Wm Robinson) - the subject of controversy in this  
suit.

Answer - I saw Wm Robinson - a short time after  
Thomas Gamm got the bond - & told him, that  
Tom Gamm. needed the money very bad - as he had  
got the bond to pay off an execution. Robinson said  
he had the money - but had other use for it.

but was going to James Stephenson & would probably  
get more money from them - if he did not he  
& money had a law suit. which they had talked  
about compromising & if they did so - he would  
let Tom Gamm have the amount of the bond  
that money - if they did not compromise, he  
Robinson would certainly pay it at Buffaloes.  
sale about ten days afterwards -

Nothing was said about any offer. to this bond -

I did not have the bond, in my hands at  
the time of the conversation with Robinson, but had  
been requested by Tom. Gamm. to apply for it

Test: by Plff<sup>s</sup> - counsel -

at the time of this conversation with Robinson  
said he not refuse to pay the bond. unless
