

2/16/1997

I have been Long time thinking of that Day
of the Prophecy that the knowledge of the
Lord shall cover the Earth as Water do
the Seas but see so little Prospect of it
begin to be out of Heart of ever seeing
such a glorious time a Militant —

So no more at Brewster only beg leave
to subscribe myself Your Loving & well
wishing Brother till Death

William Garner

W.B. Oble to give my respects to Your
Wife & family
