

that the land should be sold for one half  
Cash - the balance in twelve months.  
but as the purchaser will be entitled  
to all the net funds, I deviated from  
the decree & took as I thought enough  
Cash to pay costs - and the bond of  
the purchaser for balance, on  
demand. all of which is  
respectfully submitted.

January 9. 1878.
