

A large, dense evergreen tree, possibly a cedar, stands as the central focus of the image. Its branches are thick with green needles, some showing a slight yellowish tint. In the foreground, a silver metal pole holds a green rectangular street sign with white lettering. The sign reads "PVT ERMA GARNER LN". The tree's shadow is cast onto the dry, yellowish-brown grass in the foreground. In the background, a white building with a porch and a small deck is visible, along with other bare trees under a clear blue sky.
