

To the Hon. Richard H. Babin, Judge of the
Circuit Court of Greenville County - In Chancery
Humbly complaining sheweth unto the Court, your
Complainant William W. Robinson ~~formerly~~ a resi-
-dent of the County aforesaid; that heretofore your Com-
-plainant exhibited in this Court his original bill
of Complaint against B. D. Lillard, P. H. Gorner, Thomas J.
Gorner and James M. Gorner for certain purposes and objects
therein set forth and explained. In addition to the state-
-ments and allegations in said original bill contained, your
Complainant states that the said bond therein mentioned ex-
-ecuted by him to P. H. Gorner, upon which judgment was
obtained in this Court for the benefit of B. D. Lillard, was
assigned by the said P. H. Gorner to James M. Gorner, and
by the said James M. Gorner to Thomas J. Gorner, who assigned
the same to B. D. Lillard on the 18th March 1858; the said
bond containing no evidence of the date, of the other assign-
-ments. Your complainant further states that the other bonds
executed by him to P. H. Gorner, as stated in the original
bill, and which were the foundation and basis of the
bond and judgment thereon in controversy in this
suit, before the execution of the last named bond, were assigned
by the said P. H. Gorner to John M. Moody, who received from
your complainant after the assignment, the sum of \$
200, ^{on the 28th March 1853} in part of the larger bond, as appears by the receipt
of said Moody herewith filed (Marked A). That previous
to the assignment of said bonds by P. H. Gorner, your
Complainant paid to him in part thereof, the sum of \$400
on the 5th Decr. 1853, and \$200 on the 20th August 1854, as
will appear from the receipts of said Gorner herewith
filed (Marked B & C) none of which payments were endorsed
on either of the bonds - That subsequent to the payment to
Moody as above stated, he brought suit on said bonds against
the said P. H. Gorner and your complainant in the County Court
