Pursuant to a prospect from James Bonwick,  
for Surveyor General, dated the 7<sup>th</sup> February 1833,  
I have directed survey made upon Government tract  
of two hundred and forty acres of land,  
in Orange County, on Little Creek bounded  
S.E. by William Standish and vacant  
land, N.W. by Joseph Powney and vacant land,  
and on other sides by vacant lands; the  
bank stock form and marks as the above  
flat represents. Certified the 23 of Feb.  
1833 J. T. James Thompson Esq.
