

Wm Chapman & Son
Printers to the Royal Society

18th August 1797

Dear Brother —

Our very Brothers Wm Chapman having
left us last evening & in our absence
informing that he was acquainted with
a Breacher named Isaac having calling to
visit the leading of a Divinity you left
for the Ionic Year past, came alone to Examine
the principles of Saving Yours face in some
but thinking of the Divinity being so great
& the many occasions we have both seen can
expect it.

There you have much to do
With to you, your son charged; Read & understand
your Past & Present Condition of the Lord Jesus Christ
Shine a candle over him, sinners we are Aug 17
for & there & Jam to be joying in the
out our present state, hem to the world
to the world, many have lately left it
from the Faith & it to be feared few
left to seduce them (which) I might also
wonder & the love of my Master, which
causes me many times to complain of misfortune
I am sure in often brace the Brayers of
all them that hinder the truth, If we cannot
with your Personal presence, we hope to be here
in Chapel, so now with a sincere desire that the
Lord my add many years to your Ministry
& bless all days more & more
